

Who are you?

Look in the mirror! What do you see? Spend a few moments looking at yourself. What are your favourite features?

God made you just as you are and wants you to know that you are beautiful in his sight. You are truly loved, and entirely perfect in the eyes of your Creator. God wants you to feel worthy and secure in your unique ability and personality.

Pray for each other that you will know the truth about who you are:

- You are unique and chosen by God
- God has a special purpose for your life
- God has created you exactly how he wants you to be

Chose a bookmark, you can colour one in, or illustrate one yourself. Take it home and remember how God sees you.
